

Outline of Exercises in Tokyo (1/2)

1. Date and time

November 10, 2006 (Fri.) 9:45 - 17:00 (Map exercises)
10:30 - 12:00 (Training exercises)

2. Exercise sites

Tokyo Metropolitan Government (map exercises)
Tokyo Metropolitan Art Space (training exercises)

3. Assumption

A blackout occurred over a wide area of Tokyo at around 10:00 a.m. Subsequently, dispersion of chemical agents and explosions occurred intermittently at various railway facilities, cultural facilities, office buildings and accommodation facilities, causing large-scale damage.

4. Major exercises

- (1) Exercises necessary for the Metropolitan Emergency Response Situations Task Force to collect information, judge situations, make decisions, and implement Civil Protection measures (map exercises)
- (2) Evacuation guidance and decontamination activities by Fire Department, Self Defense Forces, and the Police, etc. (training exercises)

5. Participating organizations

Cabinet Secretariat; Fire and Disaster Management Agency; Ground Self-Defense Force; Tokyo Metropolitan Government; Tokyo Metropolitan Police Department; Tokyo Fire Department; related wards; and related business entities

*About 480 participants in total

Outline of Exercises in Tokyo (2/2)

Review of countermeasures by each organization

Ex post facto review meeting

(Training exercises) Detection of chemical agents by the Tokyo Metropolitan Police Department and the Tokyo Fire Department
